“ I have many fond memories of Christa especially in my young elementary years. As Rita's best friend, I practically became a Buskirk kid...I remember gathering around the big dinner table with so many faces and passing around the big bowl of my favorite, Spanish rice...when they say it takes a village to raise a child I am thankful that Crista was one of those important people in the village that helped to raise me...I send a big hug to the family and hope you find peace knowing your that Christa is with God..

“ We were saddened when Eric stopped by our house to let us know of Christa's passing. We met Christa and Ron more than 35 years ago when Christa started babysitting for our children. We always felt Christa was a good influence on our children. She and Ron provided a loving home for our kids before and after school. We enjoyed our visits with them after work and have always held the Buskirk family close to our hearts.
