“ Clara was such a sweet lady and my husband and I always looked forward to seeing her when she shopped at our store. She later looked us up after we sold the store and it was so nice to see her. What a sweet lady. RIP Clara it was a pleasure to have known you.

I remember when Clara "friended" me on FB and I warned her she might want to censor my page...she knew I was a nut but she loved me anyways! My life was made better having known this sweet woman...she always had something positive to say at work. Rest easy, dear lady <3
