Clarence "Jack" M. Combs, age 87, of Bloomingdale, passed away on April 4, 2013. Jack was born in Frenchburg, KY in 1925. Jack was very involved in the Bloomingdale Community especially the Boy Scouts serving as Scoutmaster for many years and was also a school board member. He was an avid hunter and fisherman teaching his children to love the outdoors. He loved his gardens bringing flowers and vegetables to many people. “ *The world and our family has lost an incredible man. My dear sweet Grandpa. There aren't enough words for the things I will miss about him. My grandpa who gave us handmade "tickets" when we were going too fast on our bikes, who started morning glories for the family every year, who grew the best tomatoes and cantaloupe in all of Michigan, who always greeted you with a bouquet of flowers, who let us switch gears when riding in his truck, who always had a stick of Juicy Fruit for us, who grew the most beautiful peonies, who picked us up and took us for sleepovers every weekend, who made our childhood so magical and happy, who could fix anything, who cut our bangs when we were little, who always saved his ones for when we went out to dinner and could play Keno, who kept a full cookie jar at all times, who made us slingshots, who told us morning stories in his bed of little girls and ducks, who took us fishing and taught us to love lakes, who danced in the living room with Grandma, who always had a Pepsi or a cold beer for anyone who stopped by, who taught us how to bet on the ponies, who chewed on his cigars, who served in not one but two wars, who never raised his voice to us, and who loved my sister and I more than anyone else ever will. I will miss you more than I can ever say. Thank you for loving us so completely.*

“ *My thoughts and prayers to his family and friends.*

Oh the memories of sitting in dad's barber chair and listening to Uncle Jack, Dewey, and dad joke about what kind of haircut I would get if I did not sit still.

Uncle Jack gave me my first pocket knife... I still have it and had it in my hand on 4-3-12.

He will surely be missed but remembered!

“ Whenever visiting Grandma and Grandad Baker, Jack & Mary Combs were also a part of our visit...they have been our lifelong friends, and to say he will be missed is an understatement. Mary & I took a watercolor class together many years ago in Paw Paw, and I'm always amazed how often my memories bring me back to that time. Jack was the type of neighbor that rarely exists any more. My mom (Flo) and brother (Leward) described him to a "t". I know the Combs family will greatly miss him - my love and prayers. Kathy (Clark) Barrett (one of the twins!)

“ Jack was a 'constant' in the lives of the Bakers who lived next door. He was more than a neighbor, he was a servant to those around him. If there was a need, Jack filled it. If there was a rainy day, Jack filled it with sunshine. To say we will miss you is a great understatement. You will always be in our hearts Jack.

“ All five generations of our family who have lived next door to Jack have known that he and Mary were the best neighbors anyone could ever have. No one could be more gracious and caring than was Jack. He loved our children, who of course also adored him. So many flowers and vegetables brought to us, so many chats, so many smiles, so many laughs, so many tears shared between us. So many precious moments to savor. We love you, Jack, and we miss you terribly already.
