“ Clark was a special person. Always upbeat and a non complainer. We enjoyed many dinners out after the passing of his wife several years ago. In our conversations he liked to remember friends....and especially Leola. I have memories of Lee serving me nickel Coke's at Swanstra's drug store. They were a perfect couple and will always be fondly remembered.

“ Carol, Kristy, and Cindy or as Clark said my nieces. I just wanted to let you know how sad I am of Clarks passing. He thought a lot of you. I will miss a dear friend. We had coffee together for many years, served on many church committees and lived in the same neighborhood. He was a great example of how to live and treat people with dignity and respect. What a gentleman he was.

“ Clarks in laws were my neighbors when I was growing up. Clark when he was there used to tell me to get out of the creek. Growing up around the family, there were many good times. I will miss him and I know him and Lee are back together and safe in Gods hands. Luanne(Bregger) Reeves

“ Clark was always a joyful man. He always called me SKATES because of my days rollerskating into the drug store to get comic books. He will be deeply missed in the community. God Bless!

I got to know him, when I work at Adams Electronics. I went to work at Everrets Piano and he came to work there too. He and my late Husband Dick Collins became friends. He was such a nice person. He and Lee and my husband and i always sent birthday cards. I lost my husband March 2005 and then he lost Lee. We lost track. I am sadden to hear of his passing. Sorry for the family's loss.
