“ I just learned of Aunt Connie's passing. Our family offers our deepest condolences to her entire family and friends. I have been trying to reach her on the phone since the summer, and when our Christmas card to her was returned in the mail, I had to go online to search for her and was saddened to discover that she had passed away. Such a sweet lady! My parents, Chet and Imogene, loved traveling from Iowa to Michigan to visit with Jim, Aunt Connie and my cousin Lee. I will miss our talks but I know she is now rejoicing in being reunited with Jim and William Lee.

“ *Our heartfelt condolences to the entire family. We are so sad to hear of her passing. Our years as neighbors to Connie and Jim were truly some of the best in our lives. Connie and I would often trade flowers from our gardens and have many lovely conversations about our flower beds! We've made so many wonderful memories over the years - from summer cookouts and birthday parties to watching fireworks at Leisa's house on the Fourth of July, watching and playing with Sassy, swimming, and just enjoying each other's company. Nick and I were blessed to have visited with her in September when we passed through town, which was our third attempt to see her; she was always on the go! We're comforted knowing she's at peace and reunited with her loved ones. Sending all our love, thoughts, and prayers to the family. We are going to miss her!*

“ While driving home from work tonight I started to cry thinking about Aunt Connie and the amazing aunts and uncles I have been blessed with but are now gone. When I think of Aunt Connie I see her smiling. I'm going to focus on that smile when I remember her. There is comfort in knowing she is in a better place with Uncle Jimmy, Lee and many other very special family members we have lost before her. I have no doubt she is still smiling.
