“ *To the Lonsbury family - I'm so very sorry to hear about Curtiss' passing. Even though it has been a number of years since I've seen or spoken to him, he was a very jovial and caring person that always had a joke or two to share. May God bless his immediate and extended families.*

“Curtiss worked for Ralph Moyle Inc for a number of years as a driver. He was such a character. The stories he shared still make me laugh when I think of them. His time here was short, but he left a lasting impression that will not be forgotten.
