“ *So sad to hear of Cindy's passing. Friends since Maple Grove elementary school.
Went to my first slumber party in third grade at Cindy's house.
She was a wonderful, caring, sweet soul. And certainly loved her family and her animals!
Will miss seeing your smiling face.*

“ *What moves through us is a silence, a quiet sadness, a longing for one more day, one more word, one more touch, we may not understand why you left this earth so soon, or why you left before we were ready to say good-bye, but little by little, we begin to remember not just that you died, but that you lived. And that your life gave us memories too beautiful to forget.*
