“ I am so saddened to read of Cindy and Bob passing. I had the pleasure of getting to know them when they came to me to buy their home. I am happy I had the opportunity to work with such warm and friendly people. Their love for each other was obvious and I am so sorry that their lives together were cut all too short. I am sure their families and friends are missing them terribly. My condolences to all of you. I am so sorry for your loss.

“ It still doesn't seem real. I think of all the time over the last 28 years that I spend with you or on the phone with you, I thought of our little adventure last summer driving, and how much we both laughed that day and it didn't even matter that we were lost. I just knew I was gonna find that lake to show you....not so much. But it was one of many many days I will never forget. You will always be part of my heart.... Amy
