“ I met Darla in Mrs. McClanahan's 4th Grade class at Richardson Elementary School. We quickly became friends - a friendship that lasted until her death. Although we lived far apart, when we spoke, it was like no time had passed. Darla was fun, kind and fiercely loyal. I always knew she had my back. My friendship with Darla led to my relationship with my husband (who was Mike's best friend.) We owe our long and happy marriage to that long ago introduction. Darla dear, I will miss you, and look forward to seeing you again one day in heaven.
