“ *In just a few days it will be four months since you have been gone. I try not to think about the absence my heart is feeling. I still call the house every single day hoping that you are going to answer the phone just one more time. I love you with all my heart Papa and I can't express how badly you are missed. <3*

“ I am so sorry to hear Dave passed , I only wish I could have Known sooner so I could have said good by to my childhood friend. we had many adventures together, worked for 20 years together at Beach and at Big Boy as youths. Shared the joy of his & Nancy's first born Daughter Dava and his son Mat , but most of all Friendship . All I know is the world is a little lonelier place now that he is gone.. God hold you and keep you until we meet again.  
My god comfort his family

“ Deepest sympathy to the Axe and Young families. I'm pretty sure I grew up around Nancy and her family. May God grant you and your families the Strength and Courage to make it thru this trying time.....
