“ Feels like just yesterday at work I saw david and shirley. I was zoned into my computer and david looked at me with a big grin telling me that I should smile. (They know I usually am always smiling :)) I then stopped my train of thought looked up and smiled back. He was just a sweet person and I enjoyed crossing paths with him at work. I am sorry for the loss. I can't imagine. Prayers are sent to his family! And I am thinking of you too Shirley! Both of you were very nice to me. -Ilona
