“ My favorite time getting to know Pastor David was when we started the food pantry at Bangor Baptist and would get the food on Fridays with my son Bill.

His humility, encouragement, laughter, and joy living for Jesus always came through like a bright light. Times were not always easy but He praised Jesus our Lord and let you know even in those deep water times, you were thought of too! His question said it all... "and how are you Sister Michelle?"

Blessed to have known him this side of eternity as a friend and a pastor. Comforted to know I will see him again in glory playing sweet music for Jesus with his harmonica!

Renee, Jennifer, young men and grandkids, Tom and I are praying for you all and Thank you for sharing him with us.

Renee thank you for the beautiful example you set for all of us as a Godly wife doing ministry as one with her husband! What a testimony and know this next chapter to your story will be just as beautiful. Love you Sis.

“ Dear Heavenly Father,
Thank you for giving us 63 years of life with David. It was our sister, Virginia, who preciously named him. David was a husband, father, grandfather, brother, uncle, cousin, in-law, friend, and pastor, who has always been a man of God from his childhood days to adulthood. We knew David had a special gift as a young child. Because he loved to talk. He turned his gift of gab to spreading your word of Jesus Christ. David was also a great listener. He listened intentionally b4 her shared his thoughts or opinions. David's advice always ended in prayer. He'll say, "Let's pray about that, Berta. David never met a stranger. He was so kind and friendly. People would say David is such a good guy. That's because he was a good guy. He taught his children to love one another, study the Bible, work hard, and play hard. His love of boating, hunting, lawncare, fishing, cycling, singing, playing the drums, harmonica, and game shooting all became a family sport. In particular, if you didn't like guns, David would teach you to love the sport of shooting. He and I had Target practice a lot, and he would say, "Girl, stop pointing your gun at us, point at the target. Renee would just laugh, me, too! I learned how to place my trigger finger correctly because of his easy teaching techniques and guidance. David will be missed. his loving spirit will live on in us. He left an honorable legacy to his wife and children and grandchildren that they will always cherish. We love you, Dave.... continue to rest in Heavenly peace.
Love,
Roberta

When I first joined the worship team at Journey Family Church, Pastor Dave was the drummer. He loved to worship and he would get so excited about it. He loved the Lord so much. Some of us from the worship team got to go with him a couple times to minister at the Allegan County Jail. He was really good at preaching to the inmates because they were able to see how real he was and the love he had for Jesus came through loud and clear. I loved him and I will miss him.

“ I have had the privilege and honor of attending Pastor Dave’s church for the last 4 years. I have been able to photograph his passion with Biker Sunday and can truly say he was an amazing man of God with a servants heart. The world has been forever impacted because of how fervently Pastor Dave shared the gospel. I’ll see you again someday. Until then fly high brother!

“ David was my uncle. I loved him so much that I named my son after him. He was full of life and had a smile so bright it could light up any room. I will miss his smile, laughter, love and all the good times we shared-especially getting rides from him on his motorcycle when we were kids. Auntie Renee, and cousins this is one of the hardest things to write. I pray for your strength in this time of deep loss and sorrow! I love you all so much!❤️
