“ I remember when came here to see his mom, and Pam brought him to my house, and I will never forget, I made some chicken and rice, and I gave him some, and he finished and ask me if he could have some more, and I said sure, you like it, and he smiled and said yes, such a sweet child, he was young then but I'm glad I got to know David, even before, the lod called him home, I was able to text him, so I say that to let you know, that you have to love each other why they live, rip David, the lord was looking for his angel and now he found him gone but not forgotten much love.

Awww, such a sweet memory. We have to keep the memories of David with love, forever close in our hearts. We loved him but God loved him more. He knew that His Child was tired and needed to rest for eternity. He gave David a new set of wings to soar forever for eternity. Never again will he have sickness and pain. Now he can breathe forever. We know that he is watching down on us now. Soar on my son. Till we meet again. 💔😭🙏

“ In his last moments he couldn't speak but he could hear. He only heard my voice speaking positive words in his ear. Covid kept me from being present at his bedside. But my spirit was present with him until his last breath. We loved him but God loved him more. Heaven has gained a angel. Now, he can breathe forever never being sick again. R.I.P. my son, tell we meet again. 💔💔😭🙏

“ My son David loved to laugh. I loved his laughter and miss hearing it. Tom and Jerry was his favorite cartoon to watch when he was little. ❤️
