“ *Pete and I chose to remember Dean the way he was....a fun loving, a little hard of hearing, (like Pete and me!) , simple living man that he was. Though hearts are heavy, and he will be missed, the memories will be forever in each of us. Prayers for the days ahead for all who loved you Dean.*

“ *Roseann and to the Abbott Family
Dean was always soo nice to me when ever I visited him and Roseann .. He made jokes constantly about finding me a bf. and I always declined! Im so glad I was blessed to help take care of him in his last days here on this earth ..Roseann and Randy did a great job caring for him too.. Days you will never regret spending with him.. He was blessed beyond measure with Roseann and they had a good 40 yrs together.. But now he is in a better place with no more pain..Praying for the whole family at this time and in the days to come .. Just remember all those great stories I heard during last week .. and keep them in your heart! Love you Much.. Rhonda Bradford*

Fun loving, hard of hearing, (like Pete and me!), and his love for the simple things in life. He will be missed, hearts will be heavy, but oh the memories will always be!*
