She and Roxie pulled out my first tooth together:) and there were many more shenanigans we experienced together...it was the best of times. She was such a pretty girl...and woman. I can't imagine the void she is leaving her family. The world is a better place because of Debbie and she will be missed. Hugs and prayers to all of you she leaves behind.*

“ *The world just got a little sadder. I have never known anyone with so much strength, courage and dignity. Debbie taught me how to be a better person just by watching and learning by her example.*

I was one of the many lives touched by Debbie's acts of kindness and generosity. Although I could share hundreds of stories, I will limit it to just one special memory.

When my husband died suddenly in 2006 and my mother was being discharged from the hospital, it was Debbie and Murl who helped care for my mom so I could concentrate on important matters related to my husband's untimely death. But that's just how Debbie was, always giving and never asking for anything in return.

She was in the truest sense a great person and will be deeply missed. Rest in peace my dear friend and I will try to remember all the things you taught me.

“ *Deb's cancer diagnosis came shortly after I began working at Getman. She had a stint at a nursing home in Kalamazoo, so I asked if I could visit. She graciously agreed. And this grace welcomed me into a difficult time in her life. She always had a fabulous smile and a genuine interest and concern for others. I was privileged to pray for her and get to know her for a brief time. I will always remember her as one of the loveliest women I've known. Praying for God's grace and peace to those who knew and loved her.*
