“ I don't know any of the Eshes personally, but my grandmother, Dixie Baker, was at Bethany for her last 13 years until her death in 1990. My grandad, Frank Baker, visited her every day (often multiple times per day), and often expressed to me his appreciation for the entire Esh family for their personal care and concern for Grandma and all the residents. Please know that your family has touched ours and many others, and we in turn pray for comfort for yours.

“ To the entire Esh family;  
What an honor and privilege it was to meet, and get to know Del, our time here on this earth is short, in comparison to eternity. I knew right away when I met Del that he had a deep faith and trust in his Lord and Savior  
Jesus Christ. He had a great sense of humor and, his laugh and smile made his eyes sparkle! One of the great things I noticed of him...I'm of course sad for all of you, but so happy for Del! He is HOME now!! No pain or suffering, just JOY beyond measure!! I pray for peace and comfort for all of you, over the next days, weeks, and months ahead. I know he will be so missed by all of you! Well done Del!! Rest In Peace!!

*Del was a very kind and gentle man. Fred and I had many happy times travelling with Del and Carol Jean. Fred and Del had a lot in common and shared walks along Waikiki beach. My condolences to the family and especially to Carol. Much love to the girls and family.*
