“ *Heartfelt prayers to the extended Harrison family. It was a shock when we heard the news. We were next door neighbors to Doug for 15 years and couldn't have asked for a better person and friend. His family was everything to him and he will be missed but never forgotten. Steve, Lisa, Tyler, Rhiannon, and Elijah Sessions*

“ My condolences to Nic and his family. I have known Nic for many years as an co-employee at Fennville High School. The saying goes, "The apple doesn't fall far from the tree." In this case Nic's father was truly a remarkable man that left his mark in the world; because Nic is a great man. My thoughts and prayers are with Nic and his family during this sad time. Sincerely, Pam Leslie

“ I've known Doug since I was a little teenager. He was always a sweet man with a huge heart. He would never let you feel alone or go hungry. He would give you a giant hug and you were family from that point on.

I have so many memories... one of them being a Halloween that I dressed up as "Prom Queen" and walked around Fennville with Charlotte and the kids, then came back to the Fennville house and enjoyed a couple of bowls of his "white chili", and great conversation and laughs.

Over the last 6-7 years, he has been my Stepdad... an even greater pleasure. He has shown my mom (Kitty) what true love really is. He gave her his undivided attention, took care of her to the best of his ability, and didn't let anyone give her any shit. In my book, he is definitely considered LEGENDARY!

He will be missed dearly by many, for a long time to come. See you on the other side old man! Huggs ~n~ Love Sharon

“*Doug was a kind, loving, sweet BNL. Doug left me with some great memories. I would call him for recipes, or if I needed to make something he was a phone call away. Doug and I lost contact after his wife Joanie passed away. But I will ALWAYS have the memories. You will be missed! Your SNL June*
