“ Angela and Michelle, I am so sorry to hear about your Mom. It's been so long since I've seen any of you, but I still remember how much fun we all had and how much you loved your Mom. She always came to your conferences at school...good ones and "otherwise". My love and prayers are with you and may God bring you comfort and peace during the hard days. Carol Brill

“ As I go back as a child always with Cousin DiDi and Babe, Michelle and Angela always camping, family get together and always spending time with me while Cousin Diane would babysat me. I am grateful I got to see you smile at me and say, hell no to me on Tuesday night. I won't forget you looking up at me like I was crazy. I told her let's go get dressed I'm going to push you down the road on her walker, her response....." he'll no" Holding your hand caressing your face and that last kiss on the cheek. You will be missed and forever I will love you. I'm glad God gave me you to call Cousin didi. Tell Grandma Dee & the rest of the family, hi for me. Prayer and Condolences to Cousins Babe and Michelle and Family.
