“ Today is my Auntie Dolores' funeral mass. She was a daughter, a sister, a wife, a mother, a grandmother, great grandmother and an aunt. My own mother, her sister-in-law, always called her Dolly. Yet to me she will always be Auntie Dolores, a woman whose table always had room for one more. She lived hospitality with generosity. In the summers of sports between Glistas and Mays she always made the Kezons a part.

While the first farm house belonged to her in-laws first she made it her home. Her gardens were memorable, both abundant and beautiful, just like her spirit.

That is what will live on, a loving faithful spirit. She was quick to smile, ready to offer assistance, and living out her faith. You will be missed Auntie Dolores, but we are all better for the life you lived so well.

To all of her family I just want to say how deeply sorry I am for your loss. Not being there for the funeral is especially painful for me. I am holding all of you in my prayers, shedding tears and sending hugs.

“ *Your Mom, along with Lavonne Ballet and Pauline Heldt were very welcoming to me when I first attended the garden club meetings. I always enjoyed talking to your Mom about my knitting or crocheting projects. May your wonderful memories of Dolores help you through this difficult time. Prayers for your family.
