“ *My sincere sympathies to Kathy and Nicholas, Dorothy, Mary and family. Donnie was one of the best people anyone could ever know. I remember many afternoons while visiting Dot when we were kids and Donnie being the typical funny, tag along, younger brother, who loved to play practical jokes on us! As the years went by Donnie's best friend Bill Bray married my younger sister Susan, so Donnie, Kathy and Nicholas became an beautiful extension of our family. Donny was a true treasure to those who knew and loved him. He will be greatly missed...Prayers to all. 🙏*

“ So sorry for your loss. Donnie was a great person, I've known him and Dot since we were all kids. I have great memories of camping with the Struble family, riding horses, playing outside until the yard light came on - before cell phones, of course. after returning to Bangor 5 years ago, Don fixed my car for me, and he treated me like I hadn't been gone for 30 years. he always had a smile on his face, and that little giggle that was contagious. I will miss him dearly.
