“ I am so sorry that I was unable to attend the funeral for Donald due to being out of the state at the time of his passing. Donald and I became very good friends during the time of us working together at Moneys...He was a very hard worker, and would do anything he could to help out someone. Donald was a very big hearted man. We had many laughs together and will remember them forever. It broke my heart to hear the news. I wish his family the best in the coming days.##imported-begin##Kathy Richards##imported-end##
