“ Ode to Aunt Dode

*To some she was called Doria, Mrs. Hessey, or mom
But for us nephews and nieces we had the code;
She had widespread respect from all those who knew her;
We respectfully referred to her as Aunt Dode!*

*We always adored Aunt Dode in every way
And many folks described her with 'F' words you know;
Like friendly, funny, firm, and fair to name a few;
To us she was always welcoming from the git go!*

*Although Aunt Dode isn't here to say
How much she loved her family and chores on the farm;
From sun up to sundown she was always around
To help out in the fields and even the barn!*

*Our visits to see her were always entertaining;
Every time we would go there was sure to be fun.
Playing around the barn, cows, or the fields;
And for sure our rides on dear old Chum!*

*We are all better people for having known her;
She made it more fun to travel through life on this road.
To be thankful and grateful can't be said near enough
For our dear Aunt, wife, mom and friend, our Aunt Dode!*

“ Doria was such a great neighbor and friend to our Mom & Dad. I have never seen another tiny lady handle fame labor like she could. Her soft spoken kind manners will always be remembered. My prayers and thoughts are with friends and family.

“What a precious and beloved child has now gone home. Mrs. Hesse (Doria) defined Christian service to many who knew her. So active in her community and many learned homemaking skills thanks to her service through the 4-H program. Wonderful memories of her are etched into many hearts. My prayers are with you all as you laid this fine woman to rest. May God comfort you during this time. -Melanie Thompson Zeiger

“ *Doria was such a special lady! My memories have just flooded my mind since hearing of her passing. She was/is a Christian in every sense of the word! She served others. Period. She served with her husband and worked hard. She served her family, the elderly community, her neighbors, her church. She was an encourager and a teacher. I think of her every time I level off a cup of flour. Some of my memories of she and her family include: 4-H, Halloween, Wood School, wild-flower treks to the woods, sewing projects, Chummy and cart rides, plenty of laughter and teasing around the Hessey table, music, and playing in the barn. She served our Mom when she was in poor health by weekly curling her hair so she felt better about herself in the midst of disease. What an example. She was a true friend! I celebrate her life, and especially her eternal life with Jesus! I know she'd want that for everyone. Blessings to all of the Hessey family. Praying for you all. - Judy (Umbanhowar) Beavers*
