“ I am sorry for your loss. I will always remember Dorothy for all the good times that we had as school nurses and her many stories. She could always make the stories funny and interesting. I followed her to Jefferson but could never have as interesting stories.

You have my sincere sympathy.

Dorothy was a wise, compassionate, and admired person within the Muscatine Schools. As a young teacher, I looked upon her as a mentor and friend. May God hold her in the palm of His Hand.

My mom is waiting at heavens gate to greet "Old Lady Gassen"! They enjoyed many hours trying to figure out how their children think as well as many laughs! My mom sure missed her when she headed to Michigan! Thoughts, prayers and hugs to the Gassen family! May your memories carry you through this difficult time! Mary (Dierickx) Costello

Gassen Kids,

I was sorry to hear your Mom has passed. I also used to like to stop and talk to your Mom. She was always ready to stop what she was doing and listen to my problems while I was growing up. She always treated me like part of your family. And always took care of me when Mike and I would come home to the house with a snot full. I still think about those days and kind of chuckle to myself. R.I.P. Dorothy. I love the memories.

Dorothy always had a smile on her face...well there were a few times that she had that stern look but it was probably something dumb us neighborhood kids did. I enjoyed the early years growing up next door to the Gassens. And my mom, Marge Cooney Peniston was there alot having that endless cofee. Dorothy will be missed.

So Sorry for your loss, I love Miss Dorothy I loved her being the nurse when I went to CMS and then to MHS I did alot of filing for her back in the day. And working 2 jobs in high school she always let me take a nap before I had to go to work at night since I had 3 free hours in a row. God Bless you all your Mother was 1 of a kind. Was even just talking about her the other day at MHS. RIP Miss Dorothy, Prayers to your family. Cindy Brewer Simons
