“ I want to thank God for the wonderful influence Dorothy and all the Pipers have been in my life.
I was fortunate to be in a family that believes in working hard and was hired by Dorothy at 12-13 yrs old.
She had me marking picked rows in the strawberry fields and directing u-pick customers to the rows ready to pick.
Of course when it was time for the pay she would always ask "How many pounds did you eat today Jerry" and her laughs filled the shed.
She will be missed but her true home is now but a moment away.##imported-begin##Jerry Conner##imported-end##
