“ *Earl was such bright spirit. There isn't enough time or enough words to describe what an impact he made in my life. Who am I going to call for trivia now?? I'm sorry we never made it to polish fest or Hamtramck but I do have many memories to cherish and those I will never forget. I can only hope you've been reunited with your Mother*
♥ Love you always, danke for being you Earl ♥

“ I never thought I would have to write something like this so soon for my dear friend.

Earl, or “The Duke” as he was known by those close to him, was the most genuine and thoughtful person I have ever met. He was kind and would do anything he could to help a friend. I consider myself a very lucky person to have known Earl and have had him in my life.

I will miss the conversations we won't get to have. I will miss the good times we won't get to share. I have plenty of memories of both, but I hoped to have more.

My most sincere condolences go out to Brad and all of Earl's family and friends. We will all miss him very much.
