“ My father is Valentine Karr. Over the years I have heard many stories about growing up with Earle as his big brother. Many fishing stories and how much he enjoyed his company. I had the pleasure of Earle and Clint staying overnight at my house when they came to Columbus, Indiana to visit my parents. We enjoyed dinner and conversation and oh my what funny stories they told. I honestly do not remember but it seems that was 2 years ago. Earle was frail but his mind was clear..especially about family stories. So sorry I missed his 100 celebration. What a wonderful life he had on earth I know it is even more wonderful in Heaven with our Lord.
