“ I just heard the sad news of Edna's passing...my heart goes out to her family. I have been Edna's hairdresser for many years and feel so fortunate to have had her in my life. She was not only a client after all of these years, she was a friend. She would always have a smile and had those sparkling eyes when I would see her. In the more recent years, she and Kim would come together, what a nice memory that is. She was always a positive "ray of sunshine" (even when I knew she wasn't feeling well) My deepest condolences to Nancy, Kim and family, Ruth, Phil, Joe and families, Dodie and family and the entire Bardocz family. Edna was an angel, she will be missed by many...remember she will always be watching over you, just as angels do...###imported-begin##Jodi Shaw###imported-end##

“ my mom patsy and I were so sad to hear of edna passing. She was a friend for many years. Many of your family members we have come to think of as friends, so we want to tell all of you , sorry for your loss. As long as i can remember I always thought Edna had a timeless beauty to her always looking so young, and i would tell her everytime I would see her, "why do you Edna always look as young as the day i 1st met you , and I on the other hand are getting old looking?" she would laugh and say must be putting up with all my family, they keep me young at heart. and i belive it! she will be missed by many. penny cantrell and patsy cantrell##imported-begin##penny canterell##imported-end##
