“ I am saddened to read of the passing of a family friend. It is a sad part of life, but also a celebration of that life. My thoughts and oprayers are with the entire family.

“ I sympathize with you in the loss of Edward. I never met him, but I know he was a meticulous man. He supplied me with a lot of detail when I was doing the Glista family trees. I never got to merge our two trees, but I'm quite sure that in Poland we must be related. He was just a year younger than I. He rests in peace now.

“ Dear Glista family, Many years have past since the time when Leandra and I were fast friends and I would come to play at the Glista home, but I have such fond memories of your family and how much I enjoyed spending time with all of you. I am so very sorry to hear of Mr. Glista's passing. May your hearts be filled with beautiful memories of the life he shared with you. My thoughts and prayers are with you. “ I wish to extend my heartfelt sympathy to the Glista Family for their loss. Ed Glista was the gentle, loving and hard working patriarch to a beautiful family. I knew him more than some but less than most of you and liked him the moment I met him. He had a way about him that made you feel comfortable and secure when you were with him.
