*I cherish the time I had with DOLLY during 2017 while I was in Mi. We had fun lunching and talking baseball when I cleaned her apartment. She always made me laugh. Love you my dear friend. Sandy.*

“ I was very young when my mom became friends with my “aunt Dolly”! I became friends with her kids and those friendships are some of my best childhood memories. My mom and aunt Dolly experienced many things over the course of their lifelong friendship but through all life can throw at you, their friendship remained strong. They would refer to each other as sisters! Aunt Dolly’s children grew close to my mom as we grew close to her. Honestly, I couldn’t imagine a world without either of them and now they are both gone so close to each other. What makes me smile is that I believe they are together in heaven enjoying each other’s company in the presence of their Lord!
