Gladys and I saw Eleanor several times a month both at the South Haven Nursing home and at Thursday Masses as well as her home. Gladys was at Norb and Eleanor's 60th wedding anniversary last year before Norb passed. She had a great sense of humor and was a real fighter. God bless them both

“ *Eleanor was a part of my childhood a friend to my family and a wonderful neighbor. but we lost touch when she moved and as God planned ran into my brother at church in Michigan and she once again became part of my brothers family gatherings. So we once again shared time together making memories and sharing the old ones. You will be missed Eleanor but not forgotten. Till we meet again.*

“ *Sad to receive the news of Eleanor's passing. She was always full of life and such quick wit. Had the good fortune of being on the receiving end of Eleanors famous and double chocolate chocolate cake a time or two. What a treat. She will be missed by all of us at the Lake and beyond.*
