“ Mrs. Huff was always so kind to me. At times, she took me in as her own because I lost so many grandparents. It is very hard for me to realize now I lost her too. She will always be a close neighbor, friend, and mentor in my heart. Even though she has now passed, I feel as if she is with me everyday. I have come to admire her family and friends and will be thinking of them during this difficult time. May God bless all of you!##imported-begin##Kelli Brady##imported-end##
