“ My husband and I were at Monk's cemetery in 2006 looking for family members of yore. We are doing the genealogy of the Solomon Butler Family of South Haven. He died in South Haven in 1910 and we can't find out where he is buried or where his wife went after he died. They both lived w/ Sam Anson Butler in Lacota at the time of his death. Believe he died in a Nursing Home or Hospital. We also met Virgil Butler at that time.##imported-begin##Doris (Dory) Butler Stiehl##imported-end##

“ Family of Elsie,  
Just wanted you to know she will be missed. Every year at blueberry time I think of those wonderful pies she used to leave in the mailbox for Mike.
