“ I worked on Gene's furnace a few times between 2013 & probably 2021 or so and it was my pleasure to get to talk with him a bit & be kind of chummy with him in town at the grocery store or wherever I bumped into him at..He was very cool older gentlemen that reminded me of my own Dad who is also 91 yrs old as I type this..... What a nice man Gene was.. So glad I got to meet him... We called each other neighbor's as we only live a half a mile apart.... 😊

“ Uncle Gene was my God father and a man I looked up to. We didn't see each other too often but when we did he had a chuckle that would stay with you forever. He will be greatly missed and loved by all. Peace always Uncle Gene -- Pattie and Norman
