“ Never knew him. Though he's still family. Brother of my late grandfather Lloyd R. Morse. I do genealogy for our family.

I know this isn't a right place to ask, but if anyone is ever interested in finding out about our ancestors, you can email me. And if you have anything like photos, death/birth records, obits, or anything else that would help me out, please let me know.

RIP Eugene. Say hi to my grandpa for me

I was so very sorry to hear of your dad's passing. I will miss him coming in everyday and stopping to chat before going to your mom's room. He was a wonderful person and a friend to many around here.
