Tribute Wall

“ Mrs. Schemenauer was such a caring person, I remember her from my childhood, at church. In more recent times, my step-mom, Carol Roe, looked up to her so much. She touched many in my family. I saw her last summer, when I was home. I purchased apples to bring home with me, when she found out who I was, she had to give me the very best. Her loss will have an impact, on many lives, that she has touched.
