“ To me Fern was a angel on earth. I hope I am good enough to see her again. I will miss standing by her door talking after bringing her fuel oil for 45 minutes while she told me about her family activities . she always had a snack to take with me and everything was great. I will miss her alot###imported-begin###Rob Walker###imported-end###

“ Dave and Diana;

I'll let you eavesdrop on my conversation with God....from my lips to God's ears:

Gracious and Loving Lord,

My heart breaks for Dave and his family as they face the loss of their precious mother, especially under these difficult circumstances. Oh, Lord, I can't even begin to imagine the range of emotions they will go through in the days, weeks, even months ahead. I have an inkling Lord, but only an inkling. Grief is so different, so exclusive for each one of us, and this loss will carry its' own set of additional heartaches. I say that I don't know exactly what they are going through, Lord, but You do know. You know because You created Fern and You knew Her heart through and through. You know because You counted the hairs on her head, and numbered her days. You know because You allowed your own beloved Son to die for sins He didn't commit, out of love for me, and for those whose names I don't even know. There is often no justice in the world, Father, but there is mercy, and that mercy comes from You. In these moments, dearest Lord, I just ask that You cradle Dave and his loving family in Your arms, and comfort them with the peace that only You can deliver. Where there can be no understanding, bring the assurance of Your mercy and grace. And Father, I pray for Diana as he struggles with the heartache that he must feel as a daughter. Just be in this situation Lord, in any way that You are needed, for You alone know the extent of the need. I love you Father, and I ask all of this in Jesus name. Amen.##imported-begin##LeRoy Ward##imported-end##

“ I offer my prayers to the family. We shared many fun filled jokes and stories during the period of our community services years ago.

A Better Place

*She's in a better place right now
Than she's ever been before;
All pain is gone; she's now at rest;
Nothing troubles her anymore.*

*It's we who feel the burden of
Our sadness and our grief;
We have to cry, to mourn our loss,
Before we get relief.*

*We know we'll reconnect with her
At the end of each life's road;
We'll see her cherished face again
When we release our earthly load.*

“ Mrs. Mulac was a wonderful and upbeat person who will be sorely missed. I find comfort knowing she's with my brother Tom who always adored her.

*Rest in peace,
