“ Flo was my cousin and we've known each other forever. This old home video was taken about 1954 when Flo would have been 17. People in the video are her mother (Dorothea - heavysset woman), her father (Frank Baker), grandmother (Pearl - older woman), Dorothea's cousin Mary Baker, 2nd cousin Jim Baker (young boy) and 2nd cousin Diane (young girl). Flo has always been a vivacious fun person and she will be missed.

“ Flo was a gracious person. She always had a smile when we spoke. She maintained her principles and cared for her family. I enjoyed our conversations and recall how she would turn on the radio in the morning, make her coffee, and play a game of solitaire to get her mind percolating for the day. I am fortunate to have gotten to know her

“ Mom was amazing.

She was always there to listen and offer words of wisdom and truth. She always had a smile on her face and even laughed at my jokes. I loved her and knew she loved me no matter what.

Unconditional love is rarer and rarer these days as selfishness and greed abound.

I will miss talking with her each day as I travel down the road, but I am confident that she and my sister Kathy are having a sweet reunion in heaven.

This world is not my home and I am a bit unsettled that she and Kathy got to heaven first. Guess I have to wait my turn.

Paul says to be absent from the body is to be present with the Lord. What a day of rejoicing that will be!
