“ Your mom was the first persons mom I ever spent the nite with by staying with Joann! That was doing big stuff for me because I would get home sick other places and want to go home, she always would tell me oh come on now Penny u know u are a big girl u can get thru one nite and if u can't I run u home don't worry. Then she would roll her eyes at me, so I felt I needed to show her I was a big girl.....I loved all our chats, I just lost my mom a month ago and now u all doing same, it's so overwhelming to me, but my heart goes to all u kids I've loved u family long time..hugs
