“ To the family of Mr. Thompson I am so sorry for your loss. He was a great teacher and mentor. As a wood teacher he taught me many valuable lessons. I still use many of his lessons to this day. He showed patients with his students and would stay after and help you if you asked to him to.  
As a superintendent I did have a couple run ins with him but he still added valuable lessons in his punishment. God Bless him and he will be greatly missed. ##imported-begin## Mark Rambow ##imported-end##
