“ My Mom was quite the character, strong willed and spoke her mind. What ever you did you didn't want to make her mad or you had the wrath of Frances upon you. Of course she would deny all of this. My dad once told me the reason he fell for my mom was her personality, he said she wasn't afraid to say anything. My dad on the other hand was very quiet that's probably why their marriage lasted so long. They were married just shy of 69 yrs. My mom made friends easily and had many. Unfortunately most of them have passed before her. I have many fond memories with my mom that will be with me forever. I know she's at peace now with my dad. Mom just don't give dad too hard of a time. Love you much! ❤️❤️❤️
