“ *Carma and the Hanners Family--We will always remember the Christmas celebrations that your Dad attended and treasure the times we were able spend with him to get to know him a little better. Although, he was such a quiet man, he had a presence about him. While dealing with his own medical conditions, your Dad still had the compassion to ask about and be concerned for others. Not only do we thank him for allowing us to be a part of his life but because of him, we are able to be a part of your lives. This is a difficult time and our sympathy goes out to each of you. We are here for you now and in the future. Love, Anna and Sharon##imported-begin##Anna Schwanekamp and Sharon Bowen##imported-end##*
