“ *Grandpa,*

*I know I am so late at writing this but I just found out it was here. I miss you grandpa so much, it still seems so weird whenever I think of you not being in your chair watching tv. I know that no matter how much I miss you, you are where you want to be and that is with grandma (your honey as you would say). I can't wait till we are all together again and I promise to do the speed limit (as you would say) when we talk. I love you grandpa.##imported-begin##Monika, Alfred, Tierra, Keoni and Kemoni Pene##imported-end##*
