“ We will miss Uncle Fred ever so much. He was one of the greatest men we've ever known. So generous and kind, always putting others before himself. We only wish that our children would have had the privilege of knowing him. Our love to Granma and Granpa, Uncle Fred's children and grandchildren, and all the other friends and family. We wish that we could be there with you, but know that Uncle Fred will be in our hearts always. A man like him is never forgotten.##imported-begin##Jason and Robin Duke##imported-end##

“ Uncle Fred was the most generous and sincere man I have ever known. My kids and I were lucky enough to spend about a week with him this past June. He had a talent for reminding me of the bigger picture. He could whittle away my problems until all that was left was the reminder of my place in this world. Personally, I have never been so confident of another person's salvation. I know Uncle Fred is where he deserves to be, where he worked his whole life to be. We'll miss him but we'll see him again.##imported-begin##Glenn Reinhardt##imported-end##
