“ *I can still feel the depth of our last hug kiddo. Passed it along and squeezed your Mom, Dad and brothers the way you hugged me last. They probably think I'm nuts, but kinda felt like that last hug was meant for them. There are no words to express how much we will miss you. Watch over us all, remind us of the power there is in love, we're not alone, and give us strength to make good choice. I love you Gabby.* ”
