“ My name is Susan Hickok- daughter of Robert and granddaughter of Raymond- Raymond and Geoff's dad was brother to Raymond. I am so sorry of your loss! I did not know he had passed until today(4-6-25). I was trying to email him about ancestry and my email could not be sent. I then did a search and found his obit. I'm just so stunned to learn of his sudden passing. He was so proud of our Hickok ancestry and I remember him coming to my dad's house in the 90's to meet with us. He had stacks of family info and photos. He has shared alot of family history with me on ancestry. I am just so sorry that he is gone too soon. My thoughts are with his family-

“ Geoffrey was one of the most likable people I have known. No matter the subject, he always seemed to have more than a passing knowledge. A gifted storyteller, naturalist, outdoorsman and companion. He made all our lives richer and I am proud to call him friend.
