“ I'm so sorry that I did not know about the passing of a wonderful childhood neighbor, Geri, until tonight. She and her family were dear friends as I was growing up. She gave me piano lessons for 2 years and hosted an after school program for the neighborhood kids. She gave me my first job at her parents cherry farm and gave me a ride back and forth each day during the harvest season. She was a lady of deep faith and joy for living which was a gift to all who knew her. I send my deepest condolences to her family.
