“ You were the best Aunt I could've asked for, you we're so caring and kind. You had a huge heart and we're always willing to help someone in need, even you to your detriment, you showed God's love through your life, and because of your Salvation I know I will see you again some day, and I know your in Heaven right now Chatting it up with your brothers and sisters. What a sweet reunion that must have been, we're going to miss you until then, We Love you!

“ We met when I was a kid so to speak. We had our ups and downs like all families, but like the rest of the family you looked through the rough demeanor and found the true person. Like me I did the same thing and found a big sister I never had. We laughed, cried and went to the movies. So I will go to one more movie and wait for you to steal some popcorn like always.
