“ So sorry for your loss... Gladys was always witty and gracious, yet spunky.. I still think of her every time I look at the teapot she gave me. Now it will hold even deeper meaning. I will forever remember her beautiful accent and the sharing of what a proper tea looks like as I determined to like the stuff, which I eventually did. She will be missed...

“ Dear Carol, Sue, Ian and the entire family:

*I extend my sincerest condolences at Gladys' passing. Meeting her in '99 when I came to Gobles as the new Deputy Sheriff, I was immediately enamoured by her humor, her attitude and that fantastic accent! What a joy she was to talk (and listen) to. She was full of stories, some not so good about growing up in wartime England...and tons of GREAT stories about her children and grandchildren and living in the USA. I was able to stop and see her at her charming little house in town a few times a year long after I moved on from Gobles. She truly was treasure to all, and an especially one-of-a-kind friend to me. I will miss her dearly.*

*Charlie Loughrin - Van Buren County Sheriff's Office, retired.*

“ Sue, Carol, and family, so sorry to hear of moms passing.  
I'll always remember her waving with a big smile on her face as I  
would ride by on my bike and saying either good morning or good  
afternoon Howard, the smile was always there.  
Please accept our condolences.
