“ My deepest sympathy and heartfelt prayers to the Hessey family. All of you were much beloved friends and neighbors in Bangor Township. I will always cherish the memories of baling hay for Glenn and sitting down at the Hessey family table with the entire family for a real farm lunch. God bless all of you.

My heart overflows with deep sympathy at Glenn's passing. What an wonderful example he was to all who knew him. To all of you, his children, may the Lord strengthen you during this difficult time. Your dad possessed a gentle graciousness but and a loving firmness that lives through all of you. Praise God.

Since I grew up next door to Glenn, I have known him all my life. He was definitely one of a kind. If anyone needed help, he was there to help out. After my dad died, he helped my mom out in so many ways, such as keeping her driveway plowed in the winter. The world would definitely be a better place with more Glenn Hessey's. Prayers and sympathy to all the family.
