“ Gloria and her sister Goldie were the most precious neighbors you could ever ask for. Such kind and hard-working ladies they were. After Goldie passed, I know it must have been hard on Gloria. I admired her courage and strength to carry on and then also take care of her brother Allen. I had many wonderful visits with them all, and feel blessed that God put them in my life. They were a true example of Christ's love and will always hold a special place in my heart. My thoughts and prayers are with the whole Picchiottino family.
